**Association of Educational Therapists
46th Annual Conference
Student Scholarship Application
November 1-3, 2024
Held Virtually**

The Association of Educational Therapists is pleased to offer a limited number of student scholarships to honor and support its student members in good standing by providing a unique opportunity. The scholarship will cover the cost of 2024 conference registration fees for streamed content and is open to all current and new AET student members.*

Beginning in 2024, we will ask scholarship recipients to serve AET in some capacity, at most three (3) hours, either during the conference or the year to follow. This will introduce opportunities to be involved in AET, collaborate with committee members, and engage in leadership. Your commitment may include:

- Moderating the Q and A in a session.
- Sitting in on a committee meeting during the months following the conference.
- Helping at a regional event that you attend.

* If you are not yet a member of AET, you are welcome to join AET as a student member for \$50. You must be registered in a university program leading to a career in educational therapy and enrolled in at least one course while applying for this scholarship. For more information on student membership and how to join, visit <https://www.aetonline.org/memberships/student-membership>.

The deadline for all applications is October 1, 2024.

Applicants will be notified of decisions by email by October 15, 2024.

Email your application as an attachment to Peggy Moede (executivedirector@aetonline.org)

*When emailing, you **MUST** include "Conference Student Scholarship" in the **subject line**
